

Conference program and logistics 21-Dec

Few updates regarding IPS 2014

- Program and links to PDF printouts are available at
- Please note the special closing ceremony (60th birthday of IPS). **The train leaves 19:06**
- **The only way of registration is online using Credit Card.** This holds also in the day of the conference! **So better to do it in advance at home.**
- Speakers are requested to come with laptops (else bring disk on key with PDF and ask help of another speaker in your session) .
- In each room we have projector with standard VGA connector.
- Those who had registered before 7-Dec will have a conference tag and a booklet.
- Stands for Posters are arranged in the wide corridors of Building 90, where the review and parallel sessions take place.

Tel Aviv University - The Sackler Biophysics Symposium 2014
