

Newsletter 12th February, 2015

members of The Israeli Vacuum Society and Israeli Physics Society:

Dear Member,

On Monday - 16th February, 2015 the 17th Annual Conference of Plasma Science **will take place in Ariel University.**

Participating in the conference will be Scientists and Student from several institutions in Israel including Technion, Tel Aviv University, Hebrew University, Soreq Nuclear Center, and of course, Ariel University.

In the Conference there will be sessions covering several subject in Plasma Science.

The conference program is presented in the following link:

For those who want to participate in the conference, send us your car information and we will arrange for entry into the campus.

Alternatively, there will be transportation from the Rosh HaAyin train station.

I am looking forward to your participation in the conference.

Prof. Asher Yahalom

Chairman of the Israeli Plasma Science

& Technology Association (IPSTA)

TAU-FUB meeting: "spin-orbit-materials"

The meeting will take place at **Tel Aviv University in Feb 23-25.**
